

Winter Wonderland is TARC’s biggest fundraising event and we are so proud to share this annual event with the community! This exciting Topeka event provides much needed support for TARC’s programs and services. Thousands of families come from near and far, and we hope they are making happy memories to share for years to come.

Stars of Life provides an opportunity to pay tribute to a loved one, close friend or special group that has made a difference in your life. This one-of-a-kind gift can be an honorarium or a memorial for a deceased loved one. There is a special section at Winter Wonderland with **red**, **green** and **gold** lighted stars representing the Stars of Life recognition program.

Gifts to the Stars of Life program will be acknowledge on a spot lighted group sign at Winter Wonderland and listed in the Winter Wonderland Visitors Guide.

To be assured a spot in the visitor’s guide, gifts must be received by Friday November 3, 2017. Gifts received after this will be added to the visitor’s guide insert as they are received.

TARC is a 501(c)3 not-for-profit organization. Your contribution to TARC is tax deductible.
